JAVERS GROUP HELPS THOSE IN NEED BY VOLUNTEERING AT PHILABUNDANCE

Berwyn, PA – *December 2011* – [Javers Group](#), a leading provider of human resource management and group benefits services in the Mid-Atlantic region and an ADP Alliance Partner, volunteered at Philabundance to help ensure those in need didn't go hungry this holiday season.

Founded in 1984, Philabundance reduces hunger and food insecurity in the Delaware Valley by providing food access to people in need, in partnerships with organizations and individuals.

On December 18, members of the Javers Group team spent most of the day at Philabundance to help with their mission of providing food to those less fortunate. They spent their time sorting food, loading boxes and preparing the packages to be sent out.

“This is our second year volunteering and we feel blessed to be able to dedicate our time to such an influential organization,” said Chris Wichser, President of Javers Group. “This has become an annual tradition!”
